

Sunday School for Adults

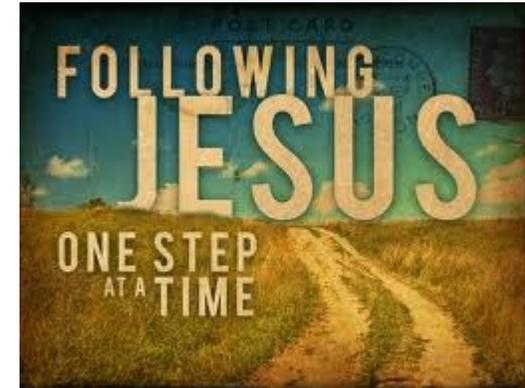

Joy in Christ—This class focuses on studies that are scripture-driven or a specific spiritual topic to elicit discussion among class members who are seeking to increase their knowledge of the Bible or to guide them on their individual faith journeys. With that in mind, our first study will be by Laura Story, “*When God Doesn’t Fix It*”. You may know the singer-songwriter Laura from her 2012 Grammy award winning song “Blessings”. The study “*When God Doesn’t Fix It*” will focus on the fairy tale life of Laura and how that changed with a family crisis. She will share common myths about God and hardship and then examine what happens when life doesn’t turn out as we expect. This is a six week DVD study with a book to purchase (optional). A copy of her book can be viewed at the Welcome Center.

Search Class—We will be reading Rob Bell's "*How to Be Here*". The following is a description about the book. Each of us was created for something great—we just need to figure out what it is and find the courage to do it. Whether it's writing the next great American novel, starting a business, or joining a band, Rob Bell wants to help us make those dreams become reality. *How to Be Here* lays out concrete steps we can use to define and follow our dreams, interweaving engaging stories, lessons from biblical figures, insights gleaned from Rob's personal experience, and practical advice.
