GENERAL INFORMATION ON SCHOLARSHIP FUNDS

The scholarship fund has a principal amount that stays in reserve. This amount is determined by majority vote by the committee members. The interest from this reserve amount plus any donations received through the year is the amount the committee can vote to distribute as part of scholarships. The agreed upon distributed amount is what is shared among the total number of scholarship recipients. Please note in the past years the scholarship committee has awarded approximately 8 – 10 scholarships each year.
